

SELECTED GEMS

To sin is death. Transgression earns the grave. The sinner is condemned. But, matchless grace! over this death, this grave, this condemnation, Jesus Christ has got the victory, and has given full and free life to him who merited nothing but destruction. Through Christ and in him we live, having passed from death unto life.

We who are like Moses, "slow of speech and slow of tongue," need only remember God's promise to him: "I will be with thy mouth, and teach thee what thou shalt say." Love is, and should be, the inspiration of eloquence. The tongue should be the Christian's agent, to impart to mankind God's boundless love.

The breath of slander may hurt a man's reputation, but never can affect his character. If that be upright and honorable, no one can stain its purity or lessen the happiness which flows from self-respect.

There is more catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,
